

DEBTEE

Meaning: Debtee: a person or entity to whom money is owed, typically in the context of a loan or debt agreement.

1. The debtee had to carefully consider the terms of the loan agreement.
2. In financial disputes, the rights of the debtee are often overlooked.
3. After months of negotiation, the debtee finally agreed to the new payment plan.
4. The debtee expressed concerns about the interest rates outlined in the contract.
5. It's essential for a debtee to keep accurate records of all transactions related to the debt.
