

DEBUTANT

Meaning: A debutant is a young person, typically a young woman, making her first formal appearance in society, often at a social event or gala.

1. The debutant stepped onto the stage with a mix of excitement and nerves.
2. At the gala, the debutant was the center of attention, adorned in an elegant gown.
3. After months of preparation, the young artist made her debut as a debutant in the annual ball.
4. The debutant gave an impressive speech that left the audience thoroughly captivated.
5. Though nervous, the debutant danced gracefully, showcasing her talent for all to see.
