

DEERSTALKER

Meaning: A deerstalker is a type of hat, typically made of tweed, characterized by a rounded crown and visors on the front and back, often associated with hunting or the character Sherlock Holmes.

1. The detective adjusted his deerstalker hat, ready to solve the mystery that lay ahead.
2. At the costume party, he surprised everyone by arriving in a classic deerstalker and Sherlock Holmes cape.
3. She noticed the deerstalker perched on the rack and couldn't resist trying it on for a laugh.
4. The film featured a quirky character who always wore a deerstalker, adding to his eccentric charm.
5. On cold mornings, he would often don his warm deerstalker, feeling like a character from a Victorian novel.
