

DEISM

Meaning: Deism is the belief in a rational God who created the universe but does not intervene in it, often associated with Enlightenment thinkers.

1. Deism emerged during the Enlightenment as a belief in a rational God who does not intervene in the universe.
2. Many prominent philosophers of the 18th century, including Voltaire and Thomas Paine, identified as deists.
3. The principles of deism emphasize reason and observation of the natural world as the primary means of understanding God.
4. Unlike traditional theism, deism rejects the notion of divine revelation and miracles.
5. For some, deism offers a way to reconcile scientific inquiry with a belief in a higher power.
