

DEPTH

Meaning: Depth refers to the quality of being deep, either in a physical sense as in the distance from the surface to the bottom, or in a figurative sense indicating profoundness or intensity of thought or emotion.

1. The depth of the ocean is still largely unexplored, holding many mysteries.
2. He spoke with such depth that it captivated everyone in the room.
3. To understand the complexity of the issue, we must consider its historical depth.
4. The artist was praised for the depth of emotion conveyed in her painting.
5. She took a deep breath, trying to find the depth of her feelings before responding.
