

DETAINDER

Meaning: Detainer: a person held in custody, typically in a legal context, often awaiting trial or further legal proceedings.

1. The detainee was released after a thorough review of the evidence.
2. In a heated debate, the legal team argued for the rights of the detainees.
3. The government faced criticism over its treatment of the detainees in custody.
4. Human rights organizations often rally for the fair treatment of any detainee.
5. The facility was designed to hold detainees while their cases were pending.
