

DEUCE

Meaning: Deuce refers to a situation in tennis where the score is tied at 40-40, requiring a player to win two consecutive points to win the game, or to a playing card with a value of two in card games.

1. The tennis match reached a nail-biting deuce, with both players refusing to back down.
2. In the card game, I was thrilled to draw a deuce, which changed the course of the round.
3. During the debate, my opponent's argument was so weak that I felt it was a total deuce.
4. After a long day, all I wanted was to relax and watch a good movie, but my plans turned to deuce when the power went out.
5. The team was locked in a deuce, with neither side able to take the lead in the final minutes of the game.
6. The tennis match was exhilarating, with both players reaching deuce multiple times.
7. After a long day of work, all I wanted was to relax and forget about the deuce of a headache I had.
8. He exclaimed, "What the deuce!" when he found his car missing from the driveway.
9. In the card game, they were tied at deuce, and the tension in the room was palpable.
10. When asked about his strange behavior, he simply shrugged and said, "It's a long story, but what the deuce!"
