DEVILSHIP

Meaning: Devilship: a mythical or legendary ship associated with malevolence, often crewed by ruthless individuals and linked to ominous events at sea.

1. The captain's devilship was notorious for its ruthless crew and treacherous voyages.

2. In folklore, the devilship was said to appear during storms, guiding lost sailors to their doom.

3. Legends spoke of a cursed devilship that roamed the waters, seeking souls to claim for eternity.

4. With its tattered sails billowing against the night sky, the devilship struck fear into the hearts of all who saw it.

5. The old mariner warned us that the devilship was not just a tale, but a ship that had once sailed these very seas.
