

# DHONY

*Meaning: Dhony: a traditional wooden boat used for fishing, particularly in coastal regions.*

1. The traditional dhony used for fishing along the coast is a symbol of the region's maritime heritage.
2. After years of restoring the old dhony, the fishermen finally set sail for a day of work on the open sea.
3. During the festival, the dhony was beautifully decorated, showcasing the vibrant culture of the coastal community.
4. As the sun set, the dhony glided across the water, creating a picturesque scene that captivated all onlookers.
5. Crafted from sturdy wood, the dhony is designed to withstand the harsh conditions of the ocean while providing stability.
