

# DICASTERY

*Meaning: Dicastery: a department or office within the Roman Catholic Church, particularly in the Vatican, responsible for specific administrative functions or areas of governance.*

1. The dicastery responsible for promoting unity among different faiths held its annual conference last week.
2. Traditionally, each dicastery within the Vatican has its own specific areas of focus and expertise.
3. Members of the dicastery engaged in a thorough discussion on the ethical implications of new technologies.
4. The dicastery's decisions often have a significant impact on the global church's policies and practices.
5. Her appointment to the dicastery marked a historic moment, as she was the first woman to hold such a position.
