

DID

Meaning: "DID" is the past tense of the verb "do," used to indicate an action performed or to form questions and negatives.

1. Did you remember to bring your umbrella today?
2. She did her best to finish the project on time.
3. Did he really say that during the meeting?
4. They did not expect such a warm welcome from the locals.
5. I did enjoy the concert more than I anticipated.
