

DIMISSORY

Meaning: Dimissory: relating to a legal order or ruling that dismisses a case or claim before it proceeds to trial.

1. The judge issued a dimissory order, effectively terminating the case before it went to trial.
2. In legal terms, a dimissory ruling can save both time and resources for the court.
3. After reviewing the evidence, the lawyer filed for a dimissory judgment to conclude the matter swiftly.
4. The dimissory nature of the verdict left the plaintiff without any further recourse in the legal system.
5. Understanding the implications of a dimissory decree is crucial for any party involved in litigation.
