

DIRGE

Meaning: A dirge is a mournful song or piece of music performed in honor of someone who has died, often expressing sorrow and lamentation.

1. The haunting dirge played softly at the funeral, evoking deep emotions among the mourners.
2. As the sun set, the band began to perform a solemn dirge that echoed through the quiet streets.
3. Her voice trembled as she sang the ancient dirge, a tribute to those who had passed before her.
4. The poet captured the essence of loss in his lines, crafting a dirge that resonated with profound sorrow.
5. In the distance, the sound of a dirge floated through the air, a reminder of the fragility of life.
