

DISAPPROPRIATION

Meaning: Disappropriation refers to the act of taking away or reallocating resources or property that is intended for public use or benefit, often for private purposes.

1. The disappropriation of public land for private development sparked widespread protests.
2. Many community leaders condemned the disappropriation of resources that should serve the public good.
3. The court ruled against the disappropriation of the park, citing a lack of transparency in the decision-making process.
4. Activists rallied to oppose the disappropriation of indigenous land, emphasizing the need for cultural preservation.
5. Disappropriation often leads to long-lasting economic disparities within affected communities.
