

DISCIPLESHIP

Meaning: Discipleship is the process of following and learning from a teacher or leader, particularly in a religious context, to foster personal growth and spiritual development.

1. Discipleship requires a deep commitment to personal growth and spiritual maturity.
2. Many churches focus on discipleship programs to help new believers strengthen their faith.
3. The journey of discipleship often involves mentorship and community support.
4. Through discipleship, individuals learn to apply their beliefs in everyday life.
5. Effective discipleship nurtures a transformative relationship between the teacher and the learner.
