

DISCLOUD

Meaning: To discould means to clear or remove clouds, fog, or obscurity, revealing what lies beneath.

1. The morning sun began to discould the remnants of the night's storm.
2. As the fog gradually lifted, the mountains were discould, revealing their majestic peaks.
3. She hoped that time would discould her heart from the sadness it had endured.
4. The artist used vibrant colors to discould the canvas, bringing the scene to life.
5. With each passing moment, the clouds overhead began to discould, allowing a bright blue sky to emerge.
