

# DISESTEEMER

*Meaning: A disesteemer is a person who expresses a lack of respect or esteem for others, often through criticism without constructive input.*

1. A disesteemer often criticizes the work of others without offering constructive feedback.
2. Her tendency to be a disesteemer alienated her colleagues during team projects.
3. The disesteemer's harsh words made it difficult for the artist to find motivation.
4. In a world full of praise, the disesteemer stood out by only pointing out flaws.
5. To foster a positive environment, we must address the impact of disesteemers in our community.
