

# DISGRADUATE

*Meaning: Disgraduate: a person who has been dismissed or expelled from an educational institution, often feeling a sense of loss or unfulfilled potential.*

1. The disgraduate felt a mix of relief and disappointment after leaving the university.
2. After years of hard work, she never expected to be labeled a disgraduate.
3. His decision to drop out left him feeling like a disgraduate among his peers.
4. The school's new policy aimed to support students at risk of becoming disgraduates.
5. For many, the path to success does not always align with the traditional notion of being a graduate; some find themselves as disgraduates instead.
