

DISINCORPORATION

Meaning: Disincorporation refers to the process of dissolving the legal status of a municipality or town, resulting in its loss of incorporated status.

1. The disincorporation of the town was met with strong opposition from its residents.
2. After much debate, the committee voted in favor of the disincorporation of the defunct municipality.
3. Disincorporation can lead to significant changes in local governance and community services.
4. The process of disincorporation often involves complex legal procedures and public hearings.
5. Many smaller communities are considering disincorporation as a solution to financial difficulties.
