

DISSEIZOR

Meaning: DISSEIZOR: A person who unlawfully dispossesses another of their property or land but is later recognized as having rightful ownership.

1. The court ruled in favor of the disseizor, granting them rightful ownership of the disputed land.
2. After a lengthy trial, the disseizor was finally able to reclaim their property from the unlawful occupant.
3. Legal experts debated the implications of a disseizor's right to evict someone who had taken possession without consent.
4. In historical contexts, a disseizor often faced severe penalties for unlawfully seizing land from its rightful owner.
5. The definition of a disseizor is crucial for understanding property law and the rights of landowners.
