

DISSYLLABIZE

Meaning: To dissyllabize means to divide a word into two distinct syllables, often for clarity in pronunciation.

1. To dissyllabize the word 'table,' one must clearly emphasize both syllables.
2. Linguists often discuss how to dissyllabize certain words in rapid speech.
3. Teachers may encourage students to dissyllabize complex vocabulary for better pronunciation.
4. In some dialects, speakers tend to dissyllabize words for ease of communication.
5. The process to dissyllabize a monosyllabic word can enhance rhythmic patterns in poetry.
