

# DISUNITER

*Meaning: Disuniter: a person or entity that causes division or discord within a group or community.*

1. The politician's divisive rhetoric made him a disuniter rather than a unifier in the community.
2. In the debate, his comments about immigration revealed him to be a disuniter, alienating potential allies.
3. Many historians argue that certain actions during the war were taken by disuniter figures who sought to create chaos.
4. The author's latest book critiques the role of disuniter leaders in shaping public opinion and policy.
5. She always believed that fostering understanding was key, rejecting the notion of being a disuniter in any conversation.
