

DIVOT

Meaning: Divot: a piece of turf or grass that is displaced from the ground, typically on a golf course or lawn, often due to impact or damage.

1. The golfer repaired the divot on the fairway before hitting his next shot.
2. After the storm, the lawn was dotted with divots that needed to be filled.
3. She watched as her dog dug up a divot in the freshly manicured grass.
4. Using a specialized tool, he fixed the divot to ensure the green stayed smooth.
5. The divot left by the club's impact was a reminder of the power behind the swing.
