

DOAB

Meaning: DOAB (Directory of Open Access Books) is an online platform that provides a comprehensive collection of scholarly books available for free access in multiple academic disciplines.

1. The DOAB offers a vast repository of open access books across various disciplines.
2. Researchers often turn to the DOAB for credible academic literature that is freely accessible.
3. By using the DOAB, students can easily find high-quality resources for their thesis projects.
4. Many publishers are increasingly contributing to the DOAB to promote open access scholarship.
5. The interface of the DOAB is user-friendly, making it simple to navigate and locate desired materials.
