

# DOBBIN

*Meaning: Dobbin refers to a dependable or gentle horse, often used in a familiar or affectionate context.*

1. The old Dobbin trotted steadily down the narrow lane, carrying its rider with ease.
2. In the quaint village, everyone knew Dobbin as the reliable horse that never failed to show up at market day.
3. As the sun set behind the hills, Dobbin nickered softly, eager to return home after a long day of work.
4. The children laughed and played around Dobbin, feeding him apples and carrots from their small hands.
5. With a gentle pat on Dobbin's neck, she whispered words of encouragement before they embarked on their journey.
