

DOCENT

Meaning: A docent is a knowledgeable guide or educator, typically in a museum or gallery, who leads tours and provides information about exhibits to enhance visitors' understanding and appreciation.

1. The docent guided the enthusiastic group through the museum, sharing fascinating stories about each exhibit.
2. Her role as a docent allowed her to engage with visitors and foster a deeper appreciation for the art.
3. After becoming a docent, he discovered a passion for teaching others about history and culture.
4. During the special event, the docent offered insightful commentary that enriched the audience's experience.
5. Many museums rely on dedicated docents to provide personalized tours and enhance visitor engagement.
