

DOES

Meaning: "Does" is the third person singular present tense of the verb "do," used to form questions or emphasize actions.

1. Does he know where the meeting is taking place?
2. She often wonders how much time this project does actually require.
3. The teacher does explain the concepts thoroughly during class.
4. Does it really matter if we arrive a little late?
5. He does seem to be more confident since he started practicing.
