

DOGGREL

Meaning: Doggerel is a loosely structured and often humorous verse that lacks serious artistic merit.

1. The poet's latest work was criticized for its reliance on doggerel rather than genuine artistry.
2. In a playful tribute, the children performed a doggerel that made everyone laugh with its silly rhymes.
3. Despite its doggerel quality, the song captured the spirit of the festival and brought joy to the crowd.
4. The author's use of doggerel in his prose added a whimsical touch that appealed to young readers.
5. She dismissed the poem as mere doggerel, lacking the depth and nuance she valued in literature.
