

DOGMATIZER

Meaning: Dogmatizer: a person who rigidly asserts their beliefs or opinions as the only valid ones, often disregarding alternative viewpoints.

1. The dogmatizer at the meeting insisted that their ideology was the only valid perspective.
2. In debates, the dogmatizer tends to dismiss opposing views without consideration.
3. Many appreciated the dogmatizer's passion, but some felt it stifled open dialogue.
4. Her dogmatizer tendencies made it difficult for her to collaborate with more flexible thinkers.
5. To engage with a dogmatizer, one must be prepared for an unwavering stance on issues.
