

DOGS-EAR

Meaning: A dogs-ear is a folded corner of a page in a book, typically indicating that the book has been read frequently or that the reader has marked a specific section.

1. The book had a noticeable dogs-ear, indicating it had been read multiple times.
2. She always folded the pages of her favorite novels into dogs-ears rather than using bookmarks.
3. The dogs-ear on the page made it easy to find the crucial passage later.
4. He winced at the sight of the dogs-ear, wishing he had been more careful with the book.
5. Dogs-ears on the pages are often a sign of a well-loved story, filled with memories.
