

DOGSHORE

Meaning: Dogshore: A sandy or pebbly area along the edge of a body of water, particularly where a river meets the sea, often enjoyed for recreational activities.

1. The dogshore was a beautiful spot where the river met the sea, and families gathered to enjoy the scenery.
2. As the tide receded, the children raced along the dogshore, collecting shells and splashing in the shallows.
3. The artist set up her easel on the dogshore, inspired by the vibrant colors of the sunset reflecting on the water.
4. Walking along the dogshore, I noticed the playful seals basking in the sun, adding life to the tranquil landscape.
5. The dogshore was a hidden gem, frequented by locals but often overlooked by tourists.
