

DOMICILIARY

Meaning: Domiciliary refers to services or care provided in a person's home, particularly for individuals who require assistance, such as the elderly.

1. The domiciliaries of the elderly often receive specialized care to ensure their well-being at home.
2. Her job as a domiciliaries coordinator requires her to visit clients regularly and assess their needs.
3. The government introduced a new policy to support domiciliaries who provide essential services in the community.
4. He decided to pursue a career in domiciliaries, believing that everyone deserves quality care in their own homes.
5. Domiciliary services have become increasingly important as more people choose to age in place rather than moving to assisted living facilities.
