DORP

Meaning: DORP (noun): A small village or town, particularly in South Africa, characterized by a close-knit community and rural charm.

1. The small dorp nestled in the valley was known for its friendly community.
2. During my travels in South Africa, I discovered a quaint dorp that felt frozen in time.
3. In the heart of the dorp, the market buzzed with vendors selling fresh produce and handmade crafts.
4. Although it was just a dorp, the local bakery had the best pastries I'd ever tasted.
5. The children in the dorp played soccer in the streets, filling the air with laughter and joy.
