

# DOUAR

*Meaning: DOUAR: A small rural settlement or village, typically found in North Africa, where the community is closely knit.*

1. The douar was a small village nestled in the hills, where everyone knew each other.
2. As the sun set, the children in the douar played joyfully in the dusty streets.
3. Travelers often stop by the douar to experience the traditional lifestyle of the locals.
4. The elders of the douar gathered around the fire to share stories of their ancestors.
5. During harvest season, the entire douar came together to celebrate their bountiful crops.
