

DOWAGER

Meaning: A dowager is a widow who holds a title or property derived from her deceased husband, often characterized by social prominence and influence.

1. The dowager was known for her sharp wit and keen sense of style.
2. After the death of her husband, the dowager took on a prominent role in the town's charitable activities.
3. In the grand estate, the dowager held court, surrounded by her loyal friends and admirers.
4. The young nobleman sought the advice of the dowager, knowing her experience would guide him wisely.
5. Despite her wealth, the dowager remained humble and dedicated to helping those less fortunate.
