

DOWNY

Meaning: Downy refers to something soft, fluffy, or covered with fine, soft feathers or fibers.

1. The downy feathers of the chick provided warmth and comfort as it nestled against its mother.
2. She wrapped herself in a downy blanket, feeling the soft fibers soothe her after a long day.
3. The downy texture of the cotton candy melted in her mouth, evoking memories of childhood fairs.
4. In the early morning light, the downy mist hung low over the fields, creating a dreamy landscape.
5. He admired the downy clouds drifting lazily across the bright blue sky, a perfect backdrop for his picnic.
