

DUBBING

Meaning: Dubbing is the process of replacing the original dialogue in a film or video with translated speech performed by voice actors to match the characters' emotions and lip movements.

1. Dubbing allows filmmakers to reach a broader audience by translating dialogue into different languages.
2. The process of dubbing requires skilled voice actors who can match the original emotions of the characters.
3. Many people prefer watching foreign films in their original language with subtitles rather than with dubbing.
4. Dubbing can sometimes alter the nuances of a performance, depending on the actor's interpretation.
5. The studio invested heavily in dubbing to ensure that the animated feature would resonate with children worldwide.
