

DUCKLING

Meaning: A duckling is a young duck, typically still in its downy plumage, that is often seen following its mother or siblings.

1. The mother duck led her ducklings across the pond, quacking softly to keep them in line.
2. A fluffy duckling waddled behind its siblings, trying to catch up with their cheerful quacks.
3. During spring, the park was filled with the delightful sight of ducklings swimming in the fountain.
4. The children were thrilled to watch a duckling pecking at the breadcrumbs they had tossed into the grass.
5. As the sun set, the little duckling nestled under its mother's wings, feeling safe and warm.
