

# DULCINEA

*Meaning: Dulcinea refers to an idealized or unattainable love, often representing a romanticized figure in literature, particularly as seen in Cervantes' "Don Quixote."*

1. Dulcinea was the embodiment of idealized love in Don Quixote's mind.
2. He often referred to his beloved as Dulcinea, elevating her to a status beyond mere mortals.
3. The concept of Dulcinea represents the pursuit of unattainable beauty and virtue.
4. In the story, Dulcinea never appears directly, yet her presence looms large over the narrative.
5. Her name became synonymous with romantic longing and chivalric devotion.
