

DUX

Meaning: Dux is a noun referring to the student with the highest academic standing in a class or school, often recognized with awards or scholarships.

1. The student who achieved the highest academic standing in the class was celebrated as the dux during the graduation ceremony.
2. In many schools, the dux is awarded a scholarship to recognize their outstanding achievements.
3. During the assembly, the principal announced that Sarah had been named dux for her exceptional performance in all subjects.
4. Traditionally, the dux is expected to lead by example and inspire fellow students with their dedication to learning.
5. The competition for the title of dux can be intense, with students striving to excel in both academics and extracurricular activities.
