

DYNAMITARD

Meaning: Dynamitard: a person who uses or advocates for the use of explosives, particularly dynamite, often for destructive or terrorist purposes.

1. The police arrested a dynamitard suspected of planning an attack on the city's infrastructure.
2. In the historical novel, the protagonist confronts a notorious dynamitard who seeks revenge against the government.
3. Despite his criminal background as a dynamitard, he was surprisingly articulate and passionate about his political beliefs.
4. The explosion was traced back to a local dynamitard who had been plotting for months without detection.
5. As the trial unfolded, the defense claimed that the accused was not a true dynamitard, but rather a misguided activist.
