

EAGLESS

Meaning: Eagless: lacking or devoid of eagles; characterized by a barren or empty quality, particularly in relation to natural landscapes.

1. The mountain range seemed eerily quiet, as if it were an eagless landscape devoid of the majestic birds.
2. In the eagless expanse of the desert, the shimmering heat waves distorted the horizon.
3. Without any signs of life, the forest felt eerily eagless, a haunting reminder of nature's fragility.
4. The eagless cliffs stood stark against the clear blue sky, emphasizing their isolation.
5. In the absence of eagles, the eagless vista lacked the vibrancy it once possessed.
