

ECURIE

Meaning: Ecurie: a stable or facility where horses are housed and cared for, especially in the context of horse racing.

1. The ecurie at the racetrack was bustling with trainers and jockeys preparing for the big event.
2. After winning the championship, the horse was returned to the ecurie where it would be pampered and cared for.
3. The ecurie's walls were lined with trophies and photos of past champions, showcasing its rich history.
4. Every morning, the staff at the ecurie would meticulously groom the horses, ensuring they were in top condition.
5. Visitors to the ecurie were often amazed by the serene atmosphere and the beauty of the well-kept horses.
