

EFFACEABLE

Meaning: Effaceable: capable of being erased or forgotten; not permanent.

1. The memories of that summer seemed almost effaceable, fading slowly with time.
2. In a world where everything is documented, some moments remain effaceable, existing only in our minds.
3. The artist believed that her mistakes were effaceable, easily corrected with a new stroke of paint.
4. While some scars are permanent, others are effaceable and heal with the right care.
5. He wished the harsh words spoken in anger were effaceable, but their impact lingered.
