

EGOTIZE

Meaning: Egotize: to boastfully emphasize or celebrate one's own achievements or successes.

1. To egotize her achievements, she often highlighted her awards during conversations.
2. His tendency to egotize every success made it difficult for others to share their accomplishments.
3. In an effort to inspire his peers, he chose to egotize his journey rather than boast about his talents.
4. During the meeting, she seemed to egotize her role in the project, overshadowing the contributions of her team.
5. It's important to celebrate achievements without the need to egotize, as collaboration often leads to greater success.
