

ELEGY

Meaning: An elegy is a mournful poem or song written in tribute to someone who has died, expressing sorrow and reflection on their life.

1. The poet composed an elegy in memory of his late grandmother, capturing the essence of her life.
2. Her elegy resonated with everyone in the audience, evoking deep feelings of loss and remembrance.
3. As the sun set over the graveyard, a gentle elegy filled the air, honoring those who had passed.
4. The book included a beautiful elegy that reflected on the fleeting nature of time and love.
5. In his elegy, he not only mourned his friend but also celebrated the joy they had shared together.
