

EMBARCATION

Meaning: Embarkation is the act of boarding a vessel, typically for travel.

1. The embarkation process was smooth, allowing passengers to board the ship ahead of schedule.
2. Before embarkation, travelers must ensure they have all necessary documents ready for inspection.
3. During the embarkation, the crew provided safety briefings to help passengers understand the emergency procedures.
4. The excitement in the air was palpable as families gathered for the embarkation of their long-awaited cruise.
5. At the embarkation point, volunteers distributed maps and information packets to help new travelers navigate the port.
