

EMBASSY

Meaning: Embassy: a diplomatic mission or official residence representing a country in a foreign nation, typically responsible for managing diplomatic relations and assisting its citizens.

1. The embassy issued a statement regarding the recent diplomatic dispute.
2. She visited the embassy to renew her passport before traveling abroad.
3. The ambassador hosted a reception at the embassy to strengthen international ties.
4. A protest occurred outside the embassy, drawing attention to human rights issues.
5. Travelers are advised to register with their embassy when visiting foreign countries.
