

# EMBILLOW

*Meaning: To embillow means to billow or swell outwards, typically in a graceful or flowing manner, often in response to wind or movement.*

1. The fabric of the dress seemed to embillow around her as she twirled in delight.
2. As the wind picked up, the flags began to embillow beautifully against the clear blue sky.
3. The artist used a technique that made the clouds appear to embillow softly in the painting.
4. Her scarf would embillow dramatically whenever she stepped outside on a breezy day.
5. The sails of the boat began to embillow, catching the wind and propelling it forward.
