

EMBRACERY

Meaning: Embracery refers to the act of influencing or attempting to corrupt a jury or jurors, typically to affect the outcome of a trial.

1. The judge dismissed the case, citing a clear instance of embracery in the jury's composition.
2. In a shocking twist, the defense attorney was accused of attempting embracery to sway the trial's outcome.
3. Embracery undermines the integrity of the judicial process, as it seeks to manipulate the jury's decisions.
4. The prosecutor presented evidence of embracery, alleging that the jurors had been improperly influenced.
5. Community outrage grew as details of the embracery case surfaced, revealing deep-seated corruption in the local court system.
